MIKHAELLA NORWOOD

Motivational Speaker & Ceo Of
Freelife Productions

Mikhaella Norwood is an actress, spoken word artist, songwriter, Youtuber, blogger, motivational speaker, and the CEO of Freeliflife Productions. Through Freeliflife Productions, you can expect to see original content of the aforementioned different art styles, so take some time to browse this site and enjoy yourself! The concept of Freeliflife Productions is to set people free to live the life that they have always wanted to live. Far too often, people feel trapped by their own lives because they choose to play it safe and size down their dreams to fit their current situations. People want to take time off to travel the world, but they feel as if they have to stick to the status quo. People hate their jobs yet they convince themselves that they have to stay. Freeliflife Productions dares YOU to take the limits off and dream, "because you've never *had* to"; meaning that you have always had the freedom of choice to begin living the life that you want to see. So what's stopping you? Start today! Mikhaella is a graduate of the University of Michigan (B.A. in Spanish, Class of 2016) and loves changing the world one dream at a time. If you like what you see, feel free to contact Mikhaella and book her to come to your city!
